Cancer Society Hold Annual Meeting

The Crows Nest Pass Branch of the Canadian Cancer Society held a meeting in the Catholic hall last week when a new slate of officers was elected to office for the coming term.

Elected to head the society are President, Helen Nedd, of Coleman; vice-president, Nora D. Quinlan, of Bellevue; secretary, Phyllis Jones of Coleman; 2nd vice-president, Clarence Weeks of the Cowley-Lundbreck District; chairman of the Welfare committee, Mrs. P. Utley, of Bellevue, pro-tem; Educational chairman, Mr. M. D. McEachern. Representatives for the Maycroft and Burnis district will be contacted to act on the Society.

Mrs. J. Oczkowski and Mrs. McClelland of Beaver Mines were welcomed to the meeting.

Reports were presented during the meeting and it was disclosed that the Cancer Crusade campaign was much more successful in 1960 than in 1959, as 1960 showed collections totalling \$1570.37 against last year's \$808.78.

The increase, it was pointed out, was probably due to the sum of \$140.00 being donated from Beaver Mines as the result of a concert organized by Mrs. J. Oczkowski and Miss Harvey. Memorial contributions also boosted the fund.

Thanks were voiced to all those parties and persons who assisted with the Cancer Crusade, which included Mrs. W. R. Brown and assistants from the Pythian Sisters and Ladies of the Moose at Hillcrest; Frank Sackoff and a large and enthusiastic group of high school students at Bellevue; high school students living in Frank, the Holy Name Society, the Lions Club, and a group of high school students under supervision of Eric Price at Blairmore; Mrs. Phyllis Jones with some assistants, at Coleman; Miss Harvey and Mrs. J. Oczkowski and

others of Beaver Mines, and Clarence Weeks at Cowley and Lundbreck. No canvass was made at Burnis or Maycroft this year.

During the Education report it was noted that a very dispiriting number of Pass residents attended film showings in Coleman, Blairmore, Bellevue and Hillcrest, as the total attendance at all four places was under forty.

A Workshop was held in the T.O.O.F. hall in Bellevue on April 4th, which was exceptionally well advertised through radio, press and circular letter.

A buffet lunch was arranged for and such personnel as Miss Pat Farrell, nursing consultant, and F. J. Norris, field secretary, were present with films, lectures, and literature. Including the two speakers the total attendance for both afternoon and evening sessions was only 12, of whom only one was not a member of the executive.

The Welfare report showed that in the 1959 - 1960 term that for transportation sum of \$389.90 was spent for 21 patients; the sum of \$71.50 for board and care of seven patients and the sum of \$83.35 spent for drugs, medication and X-rays for two patients.

It was reported that the school poster competition was quite successful as 129 students from grades seven to twelve inclusive, submitted posters and these were judged by a committee of teachers.

Prizes were awarded to the winners at the various schools during which time a lecture on the work of the Cancer Society was given, with particular reference to the work done locally.

FIVE-YEAR-OLD DEBUTANTE

Debbie Selmes makes her first appearance as Poster Child for the 1960 campaign to raise funds for the fight against muscular dystrophy. Debbie is representative of many thousands of children whose hopes for the future are dependent on the untiring efforts of medical research workers supported by a generous public.

— photo: Walter Curtin.

Fire Fighters Work on "Project M.D."

The 1960 March for Muscular Dystrophy, which began on November 20, is a week-long drive to raise funds to help the victims of Muscular Dystrophy—the scourge of childhood that has so far resisted all efforts to defeat it.

Everyone who takes part in the campaign is an unpaid volunteer, and most of the money raised will be collected by men who already have a full-time job guarding their fellow-citizens' lives and property—the fire-fighters of Canada.

The fire-fighters have taken on the defeat of Muscular Dystrophy as a project—unofficially at first, (and later officially) when at a 1958 international convention they passed a resolution to support the work of Muscular Dystrophy Associations here and in the United States until the cause of the disease or a cure for it is found. It is estimated that about half of Canada's 10,000 firemen are actively engaged in assisting this nation-wide health enterprise.

During the campaign the firemen carry out house-to-house canvasses, and advertise the March by draping their fire engines with huge banners that read: 'Help Defeat Muscular Dystrophy'. Not only are they active during the campaign, but they also keep up a year-round interest in local patients, taking them on tours of the fire hall and arranging other social and recreational events.

This year the fire-fighters alone hope to raise \$175,000. This money will help finance over thirty research projects in the chief medical centres in Canada.

A great deal of money and effort has already been expended in the search for cause of Muscular Dystrophy, but so far MD has yielded few of its secrets. The reason for this is that the underlying cause of Muscular Dystrophy seems to be linked in a complex manner with the ultimate chemical building-blocks of living tissue itself. A similar situation exists in cancer, and other diseases that present seemingly insuperable problems to medical science.

If MD is defeated in our time, much of the credit will go to the fire-fighters who have made this challenge their challenge.

During the 1958-59 season "sport's men" enjoying the privileges of Quebec province's game and fish areas paid \$91,000 in fines for infraction of fish and game laws.

More white-faced girls? Fact is that shipments of face powder in Canada in 1958 were valued at \$2,318,000 against \$1,431,000 in the previous year.

Armistice Services Held In Pass Towns

Well attended Remembrance Day Services were held in the Crows Nest Pass towns Friday, morning, November 11th, conducted by the Legion branches in the Pass towns. Church services were also very well attended.

At Blairmore a parade, headed by RCMP, followed by RCMP (M) personnel, cadets, Legion members and Auxiliary, and other lodges and organizations, formed at the Legion and paraded to the Orpheum Theatre where services were held.

A tableau "In Flanders Field", erected on the stage, was very impressive, lending the proper mood to the services.

The service was conducted under the auspices of the Canadian Legion Blairmore Branch No. 7 B.E.S.L. Chairman of the affair was Legion President Dan Mills.

The RCMP (M) band under the baton of Fred Beddington of Coleman, were in attendance.

Following the singing of O Canada, the Invocation was given by the Rev. P. E. Miller, B.A., followed by a hymn "O God Our Help In Ages Past". An impressive address was then given by Mayor William Jolley followed by a two-minute period of silence in respect for our War Dead.

The Last Post and Reveille were then blown, after which Albert Avoledo called the Roll. A wreath was then placed on the tableau by Mrs. Margaret Moorhouse, Reg. N., after which a memorial prayer was said by Rev. Miller, followed by all joining in to say the Lord's Prayer.

A suitable address was then given by Mr. Miller, after which he read the Scripture "A hymn 'God Of Our Fathers'" was then sung followed by singing of God Save the Queen, after which the affair concluded when Rev. Miller said the Benediction.

The parade then reassembled and proceeded to the Cenotaph where wreaths were laid by various local organizations and private citizens. A three-shot salute was fired by the RCMP (M) firing party while proper music for the affair was provided by the RCMP (M) band and bugler. The parade, upon re-assembling, marched back up the main street and broke off at the Legion rooms where a social affair was held.

At Coleman citizens attended church services after which all gathered at the Cenotaph where all joined in to sing O Canada.

Following is the order of service

Lucia Squarcella Services Held

Requiem High Mass was celebrated in the Coleman Holy Ghost Church at 10 a.m. on Monday, November 14 for the late Mrs. Lucia Squarcella, who passed away in the Crows Nest Pass Municipal Hospital on Saturday, November 12.

Prayers were said in the church at 7:30 p.m. on Sunday evening.

Services were conducted by the Rev. Dennis Fleming of Coleman.

Interment was made in the family plot of the Catholic cemetery on Saturday morning following the Mass.

Palbearers were Angelo Toppino, Anthony Ritrovato, S. Depindo, S. Benedetto, H. Urwin and T. Povalianto. Hall's Funeral Service Ltd. of Blairmore were in charge of the arrangements.

Mrs. Squarcella, 76 years of age, was born in Province of Poggia, Italy, on June 29, 1884. She came to Canada in 1913, settling in Banff, and remained there until 1922 when she moved to Blairmore. In 1927 the family moved to Coleman, and have resided there since.

Mrs. Squarcella worked for some time at the Java Shop in Blairmore, and at the Crows Nest Pass Municipal Hospital. She was a charter member of the Italian Society of Coleman and was of the Catholic Faith.

She was predeceased by her husband, Matthew, in Coleman in 1943. Surviving are two daughters, Philomena, Mrs. J. Rival of Banff, and Mary (Mrs. Anthony) Sgro of Kimberley, B.C.; four grandchildren and eight great grandchildren; one brother, Joseph Sorella of Coleman, and a nephew, Anthony Ritrovato of Coleman.

Former Colemanite Passes at Vancouver

Elizabeth Beveridge, a former resident of Coleman, passed away in Vancouver on November 14th, at the age of 77 years. She is survived by one sister, Mrs. George Dickson of Vancouver, one brother Archibald Beveridge of Coleman, and other relatives. Funeral service was held Thursday, November 17th, at 1 p.m. in the chapel of Harold Edwards Ltd., Vancouver. Rev. J. G. Ferry officiating, followed by cremation. Mr. A. Beveridge attended the funeral.

Former Local Boy Receives Promotion

Mr. and Mrs. J. Plante have received word that their son (Bill) W. V. Plante of Red Deer had been made General Superintendent of the Templeton Construction Ltd. in Red Deer and that he was also made President of the Red Deer Builders Association and one of the four directors for the National Builders Association for the Province of Alberta.

As of March, 1960, 10 per cent of all Canadians in the 18-to-31 age group are attending universities.

A record of 34,400,000 tons. That's the 1959 output of Canadian mines — up 55 per cent over 1954.

Former Coleman Man Drowning Victim

Word was received in Coleman this week that George McAllister Dibblee, son of Walter Dibblee and the late Mrs. Dibblee of Coleman, was drowned in a lake while duck hunting near his home in Vancouver on Saturday. It is said that the boat Mr. Dibblee and two friends were in capsized.

Mr. Dibblee, 32 years of age was born in Calgary on February 10th 1928 and came to Coleman with his parents as a baby. He attended public and high school in Coleman, leaving here in 1945 to enter the University of British Columbia. He graduated in Zoology and has since been employed as the assistant curator at Vancouver's Stanley Park.

He is survived by his wife Mrs. Silvia Stanley-Cartwright formerly of Vernon B. C., his father Walter of Coleman and two brothers, E. W. Dibblee Jr. of Victoria, James of Blairmore and two sisters Helen, Mrs. G. Muspratt of Blairmore, and Frances, Mrs. T. Miller of New York.

Funeral services will be conducted from Mount Pleasant Chapel at 3:00 p.m. on Thursday in Vancouver where interment is to be made. Mr. Dibblee of Coleman, James of Blairmore and Gordon Muspratt left Monday for Vancouver to attend the services.

Cord of Thanks

We wish to thank Dr. Aiello, the nurses and staff of the Crows Nest Pass Municipal Hospital for the kindness and care they gave our mother, Mrs. Squarcella during her illness while in the hospital; also everyone who helped in any way in our sad bereavement.

Daughters, Mrs. Sgro and Mrs. Riva.

Journal Had Visitors

On our last publishing day we were pleased to have the grade three pupils of West Coleman school and their teacher, Mrs. Bond, visit us. The children showed much interest in the machinery and work involved in publishing the paper. Following is an essay received from one of the pupils on their visit:

OUR NEWSPAPER
"Our grade three class visited The Coleman Journal."

Mr. Holstead owns the paper. When we were out in the first room we saw a picture on the printing forms and lead print. Then we went in the second room. There were big machines going around very fast, the rollers went around so fast I got dizzy.

These rollers printed the paper. Besides this we saw a cutting machine and a stapler. I thought it was very interesting.

MARGARET BARE

Curlers Open Season With Bonspiel

The Coleman Curling Club opened the season with a warm-up bonspiel over the Armistice week-end. Thirty-four rinks entered the 3-day bonspiel, which featured four events with over 400 in prizes.

Winning rinks in the first event were: First, Stephen rink of Lethbridge; 2nd, J. Salvador rink of Creston, B. C.; 3rd, Dr. Emil Aiello rink of Coleman, and 4th was taken by the Henry Zak rink of Blairmore.

Winners of the second event: Camille rink of Natal, B. C.; the Hockstein rink of Pincher Creek; the McVeigh rink of Natal, B. C.; while winner of the fourth place were Romano rink of Natal, B. C.

Third event winners were: First, Chick Roughton rink of Coleman; 2nd, Bertola rink of Natal, B. C.; 3rd, Maffioli rink of Pernelle, B. C.; and 4th, was won by the Joe Trotz rink of Coleman.

Winners of the fourth event: First, Martin Aschbacher rink of Blairmore; 2nd, Teasdale rink of Blairmore; 3rd, Jordan rink of Bellevue, and 4th, was taken by the Sil Favero rink of Bellevue.

A record of 486,000 babies were born in Canada in 1959.

OF MANY THINGS

(By Ambrose Hills)

Mr. K. and the CBC

It is possible that the geniuses at the CBC feel they are being very bold and daring by asking Mr. Khrushchev to appear on their best Canadian network show.

Bold and daring it may be; but foolish, too, unless handled with great skill. If it is to be another interview such as the one with Mr. Hoffa, in which he was made to appear as a likeable, urchin-type tough guy being persecuted by the courts, then Canadians will be paying a handsome bill to be taken in.

Remember that Mr. K. had the run of the U.S.A. last year in a good-will tour of which he took full advantage. He had valuable network appearances on radio and television. Yet he did everything possible to thwart a similar opportunity for Mr. Eisenhower to present the ideas of the free world to the people of Russia.

And Mr. K., who is now to have our TV network at his disposal, did not even remain at the United Nations where our Prime Minister, John Diefenbaker, was making a tremendously important and thoughtful speech. Mr. K., instead of listening went to a luncheon at the Biltmore with Cyrus Eaton, Canadian born millionaire.

Why, then, should the taxpayers of Canada extend to Mr. K. the use of our costly broadcasting system?

Perhaps the CBC had very good reasons for extending to the greatest proponent of Communism the use of our networks. Perhaps it was their feeling that Khrushchev would flop there just as he did in his attempt to make a spectacular propaganda show out of the United Nations. Perhaps they merely want to let us all have a close-up view of the man who represents the only really large colonial power on earth screaming about the colonialism of the free world powers?

Decisions such as this one, in the light of recent Russian actions, make taxpayers uneasy. Are we paying the shot to allow Mr. K. to boast of another propaganda victory?

If so, shouldn't we have some assurance of equal time on the Russian government television system?

Coleman Youth Cleared of Charge

Johnny Karasz, 19-year-old Coleman boy, who had been convicted by Magistrate F. S. Radford at Blairmore, Alberta, on October 25 of contributing to juvenile delinquency, and sentenced to three months in Lethbridge jail, had his conviction quashed on appeal by Mr. Justice Harold Riley in Calgary on November 15th, and the warden in Lethbridge was ordered to release him.

Karasz was granted special leave to appeal by Chief Justice McLaurin on November 1st. He is a Hungarian refugee, who came to Canada in 1957. The appeal was conducted by T. J. Costigan, Blairmore lawyer, and L. A. Justason of Calgary, appeared for the Crown.

Safe Driving Week Dec. 1 to 7

Aimed at breaking down public apathy towards the toll of human life on Canada's highways, Safe-Driving Week will be sponsored all across Canada by the Canadian Highway Safety Council between December 1 and 7, inclusive.

With active participation by provincial and industrial safety groups, women's organizations, the clergy, police, governments, service clubs, and other bodies and individuals, Safe-Driving Week will begin at midnight, November 30th and end at midnight, December 7.

There will be a dual target—the apathy of the general public towards the slaughter on the highways, and the apathy of the motorist and pedestrian towards their responsibilities, as individuals, to reducing the accidents, injuries, deaths and economic loss in traffic.

The council reports that, while December has gone slightly down the scale among months showing traffic deaths and injuries, it remains the worst month for highway

accidents.

Safe-Driving Week, a campaign to stress the dire need for safe driving and safe walking, will serve to lead off the national month-long campaign against Holiday Hazards conducted by police forces from coast to coast.

Contract Let For Crippled Children's Hospital

Contract for a substantial enlargement of the Shriners' Hospital for Crippled Children at 633 Wellington Crescent has been let to the Malcolm Construction Company, of Winnipeg, according to announcement made recently by W. A. Johnston, Q.C., Chairman of the Board of Governors. The total amount of the contract is \$434,199, but when all new equipment has been installed, together with architects' fees, general landscaping of the grounds, etc. the grand total will amount to approximately \$550,000 explained Mr. Johnston.

Originally constructed and opened in 1950 as a 40-bed hospital it was soon found necessary to apply to the Board of Trustees of the Shrine Hospitals for permission to increase the bed capacity to 50, to handle the large waiting list. The work of the hospital was carried out on this increased capacity until it was realized that additional facilities must be provided to function adequately as a properly constituted 50-bed hospital.

One of the biggest increases in the work of the local Shrine Hospital is in the out-patient department, which has increased 400 per cent since the hospital was opened. By the end of the present year the hospital will have handled approximately 1,000 out-patient visits. To handle this large expansion a special area will be included so that examinations will be carried out in adequate space with proper accommodation for both the out-patient

children and their waiting parents.

Grade school education is given all patients in the local hospital, but with the extension to 50 beds, the one school room proved too small, and the recreation room in the basement had to be used. The schooling of the children is carried out under the supervision of the Manitoba Department of Education. Two fine school rooms, fully equipped will be included in the new building.

In recent months there has been greatly extended activity in the therapy department, both occupational and physical, and the new plans call for extensive expansion in this regard.

Some time ago decision was made by the Board of Trustees that case histories of all orthopedic surgery and treatment in Shrine Hospitals would be made available to medical science on the Continent. For this reason, a new department of research and case history recording has been placed in operation and each hospital requires additional space for this work to be carried on.

Locally, it is only recently that the Winnipeg Shrine Hospital has been recognized as a teaching hospital and in this regard special accommodation for internes, lecture rooms and clinical space will be provided. New laboratory facilities will be included and accommodation will also be provided for a social worker who is to be added to the local staff.

The front of the present hospital will be substantially changed to include two large semi-circular additions in front of each of the present wards, which will absorb full sunshine facing south.

Work already has commenced on footings and the contractors advise

that work is expected to be completed by April 30 of 1961.

The plans covering the new additions were fully approved at the recent meeting of the Imperial Council of the Shrine at Denver.

Winnipeg's first Shriners' Hospital for Crippled Children was opened in 1925, under the chairmanship of the late Arthur W. Chapman.

This included a few beds in a ward of the old Children's Hospital on Redwood avenue. The need for this hospital was quickly apparent and soon a special wing of the hospital was built, to become the first real operation of this great philanthropic work.

The corner-stone of the present hospital was laid by Mr. Chapman in 1941 and the hospital was opened and officially dedicated early in 1950 when Imperial Potentate Harold Lloyd made a trip from Hollywood to officiate at the ceremony. He also addressed a packed Civic Auditorium on the work of the Shrine Hospitals.

The Winnipeg Unit of Shriners' Hospitals for Crippled Children serves the territory from, and including the Lakehead westward to the Pacific Coast. Representatives of each Shrine Temple in the four Prairie Provinces are members of the local Board of Governors.

Children are admitted to a Shrine Hospital regardless of color, race or religion, providing they come from families who are not able to pay for the required orthopedic surgery or medical attention. They must be under 15 years of age. Full information may be obtained from any Shriner or write the Hospital.

Shrine Hospitals operate on a complete non-income basis and were termed by Harold Lloyd in his public address here as "The World's Greatest Philanthropy."

A - B C - M Hockey League Schedule

The league, which has dwindled to four teams, swings into action Saturday, November 26th with Fernie playing at Coleman, and Great Falls at Taber.

League officials have published a schedule which calls for eight home games for each club. The two western teams — Coleman and Fernie — will make only one trip to Taber and Great Falls for week-end double-headers.

The eastern teams also visit Coleman and Fernie only once. Both the western and eastern teams will meet each other eight times.

After the close of league play, an all-star game will be played in which the league leaders meet a team selected from the other three clubs before playoffs begin.

The league play ends on January 29.

Following is the complete schedule for A - B C - M League games:

Nov. 26: Great Falls at Taber; Fernie at Coleman.

Nov. 27: Great Falls at Taber; Coleman at Fernie.

Dec. 3: Taber at Great Falls; Coleman at Fernie.

Dec. 4: Taber at Great Falls; Fernie at Coleman.

Dec. 10: Fernie at Taber; Great Falls at Coleman.

Dec. 11: Fernie at Taber; Great Falls at Coleman.

Dec. 17: Taber at Fernie; Coleman at Great Falls.

Dec. 18: Taber at Fernie; Coleman at Great Falls.

Jan. 7: Coleman at Taber; Fernie at Great Falls.

Jan. 14: Taber at Coleman; Great Falls at Fernie.

Jan. 15: Taber at Coleman; Great Falls at Fernie.

Jan. 21: Coleman at Fernie; Taber at Great Falls.

Jan. 28: Fernie at Coleman.

Lions Name Bingo Winners

The Coleman Lions held a successful bingo in the Elks hall in Coleman Wednesday evening, when the \$145.00 cash jackpot prize was won by Margaret Roughhead of Coleman.

Winners of the other \$10 cash prizes were:

- Tillie Korman, Mrs. J. Hardy, Alan Hampton, Tom Cunningham, Joe Sygutek, Margaret Roughhead, Glen Hampton, all of Coleman.

Vera Vyse of Blairmore; Rock Hansen of Norwich, Kansas, and one prize was split among Polly Purvis, Isabelle Spivak, Aldo Ferrara and Oratio Celli of Coleman, and Mrs. D. Mills and G. Pagnucco of Blairmore.

Door prizes were won by Phyllis Jones, Aldo Montalbetti, Mitz Moore, all of Coleman, and Mrs. L. Gingras of Bellevue.

The next bingo night will be held on November 30th when a cash jackpot prize of \$100 will be offered for the first blackout in 54 numbers.

C. Y. O. News

A good number of our local CYO members attended the CYP convention which was held in Lethbridge November 5 and 6.

At our last meeting the convention was discussed and we were told that this year we will also have a 'sports day' as we did last year.

Calgary is going to be host to the Drama Festival, Lethbridge will have the oratorical contest and Medicine Hat is going to hold the next convention.

A name for our club was also discussed. After voting on several of the names, the "Nesters" was the most popular one.

On November 26th we are going to have a contest. All the CYO members will make posters with the theme "Let Us Put Christ Back Into Christmas". A prize will be awarded to the top three with the best one to be entered in the CYP competition. The winner will receive a trophy.

A dance was held on November 1 with the teen-agers orchestra in attendance.

New Recreational School Site To Be Chosen

Some communities in Alberta will have an opportunity to become the recreational and cultural training centre of the province. If it is one chosen by the Cultural Activities branch of the Provincial Secretary's Department to become the site of the new Recreational Training School.

The Recreational Bureau of the branch has annually held its school in Red Deer in premises that are no longer adequate. Bureau officials are now scanning communities in the province to determine where they may find the physical facilities required in the school which

last year made a material contribution to the economy of Red Deer.

Figures show that for the mid-summer four-week-long recreational school the board bill for the 180 students attending was \$15,000.00, which was spent locally.

In addition a survey revealed that each student spent upwards of \$50 on personal expenses during his four-week stay. This included outlays for materials ranging from drugs through automotive expenses, florists, clothing and school supplies.

Increasing numbers of courses being required of the branch will result in an almost five-month long period of school operation. Peak operation will be the four-week long mid-summer recreation school, when residential and boarding accommodation, in dormitory form, will be required for up to 200 students. Other courses, such as drama, to music and crafts, will be for lesser enrolment and for shorter periods of time.

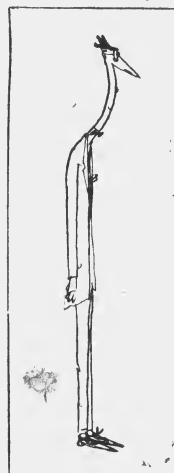

Facilities required include gymnasium and classroom space which might be provided by schools vacated for summer holidays, and a pool for swimming instruction.

Playing field facilities would also be desirable for the school. Alberta communities seeking location of the school in their area, and who can provide required facilities, should get in touch with Miss E. McFarland, Recreation Supervisor, Cultural Activities Branch, Department of the Provincial Secretary, Edmonton.

Elks Bingo Winners Named

The Coleman Elks Lodge held its regular bingo night Friday, and although the cash jackpot prize of \$200 was not won in 55 numbers, blackout, the consolation prize of \$15 was awarded to Mrs. P. Rosio of Bellevue.

Other prizes were won by: Grocery hamper, Irene Sayer, split with Matt Jarvis of Blairmore. Flower stand and ornament, Aldo Ferrara. Cammister set, George Porish, of Burmis. Occasional chair, Helen Holub of

EARTH'S MOST POWERFUL CREATURE

That's right. Appearance to the contrary, man is the most powerful creature on the face of the earth.

Man — of all creatures — put his brain to work instead of his muscles, shaping energy sources to his own use and betterment.

In Canada we've put our energy sources to work so well we enjoy one of the world's highest standards of living. Take oil for example. Because it has been made available at reasonable prices wherever it is needed, Canadians use more than 1,000,000 gallons an hour. And speaking of reasonable prices, Imperial Oil gets less for a gallon of gasoline today than it did ten years ago.

IMPERIAL OIL
LIMITED

...for 80 years Canada's leading supplier of energy

Natal, B. C. \$10 cash. Mrs. Louise Joseph, of Coleman.

\$12.50 consolation on the \$100.00 jackpot, Mrs. A. Sprlak, Blairmore. Grocery hamper and \$25 cash, Mrs. A. Cozmi, Coleman.

Movie camera, Mrs. Katie Mottler of Bellevue.

Consolation on the \$50 jackpot, split between Mrs. E. Fisher, Bellevue, and Mrs. T. J. Williams, Jr. of Blairmore.

Cash prizes won: \$13.50, Rita Goodwin; \$7.50, Irene Sayer, and \$17.50, Violet Wavrean.

25 gallons gas, Annie Hirst, of Coleman.

Mrs. D. E. Malone, Reg. N., of Natal, B. C., is on the staff of the Crows Nest Pass Hospital.

Mrs. A. Pharis is employed on the staff of the Coleman post office.

Loren Bowman celebrated his 10th birthday on November 17th by entertaining several friends at his home. The lunch and birthday cake was enjoyed by all.

Mrs. R. Bowman was a business visitor to Calgary last week.

Mrs. Mary Thomas of Vancouver, B. C., recently thanked and complimented The Journal for the write-up of her grand-daughter's wedding. Miss Mary Ellen Foster. We sincerely appreciate these words of thanks and it is indeed encouraging to get such response from our readers.

Mr. and Mrs. J. Sandgathe and family from Calgary, visited the latter's parents, Mr. and Mrs. J. Kilgannon over the week-end.

Mrs. Jean George is employed at Pep's Coffee Shop.

Mr. and Mrs. L. Caroe recently received word from their grandson, Lawrence (Larry) Caroe of Toronto who is attending Vaughn College, that he had won the Lions cup for highest standing in grade 11. He also won a \$25 scholarship and certificate from the Lions Society. His friends in the Crows Nest Pass congratulate and wish him every continued success.

Friends meeting Mrs. Celine Ford at Pincher Creek found her very happy and contented in her position as cook at the Senior Citizens Home. Mrs. Ford and her husband the late W. Ford were Coleman residents for many years.

Mrs. L. Barber of Calgary visited relatives and friends here last week. She was enroute home from Vancouver where she had been visiting her brother Mr. Fernie Beck.

A. T. A. Meeting Is Held

Social Studies was the topic in the latest of a series of study meetings being held by the Coleman sub-local of the Alberta Teachers' Assn. Mrs. Roughhead gave a comprehensive report on the subject of Social Studies in the Junior High school, explaining the aims of the course for the three grades.

Emphasis is here on Canada; the development of its culture, its part in the Commonwealth and in the Western World. She felt that the elementary teachers would be interested in hearing what material would be studied in junior high.

Mrs. Roughhead then explained the method of teaching and the time allotted to formal teaching, reports, tests and Current Events, and something of the correlation of language and social studies.

Mr. Kryczka's subject was Social Studies in the high school.

He stated that the aims of this program were the acquiring of knowledge and the formation of the required habits and skills. He spoke of the methods of teaching this subject and commented on those which he found most effective.

Mentioning teaching aids, he quoted a remark to the effect that we learn ten per cent of what we hear, 60 per cent of what we see, and 90 per cent of what we do.

Mr. Kryczka completed his talk by explaining fully the various testing techniques found most satisfactory in these grades.

Both speakers are to be congratulated on an interesting and comprehensive coverage of the subject.

Minerva Chapter Celebrates 39th Birthday

Minerva Chapter, No. 41, celebrated its 39th birthday on November 17th at 6 p.m.

A turkey supper was served by Mrs. T. Bowman, convener, and her committee.

The head table was centered with a daintily decorated birthday cake, flanked by colored tapers.

Mrs. M. Dunford, Worthy Matron, welcomed all who attended. Mrs. H. Bouthillier, Past Worthy Matron, gave a short speech and did the honors of cutting the birthday cake. Guests from Lela Chapter, Blairmore, were present.

31st Tech. Sqdn. RCME (M) Is Building Strength

A meeting of personnel of the 31st Technical Squadron RCME, (M) met in the Blairmore armories on Wednesday evening of last week with a number of prospective recruits planning on joining RCME.

It was decided at the meeting to hold regular weekly periods each Wednesday evening from 8 p.m. to 10 p.m. Purpose of holding sessions on Wednesday is to provide an opportunity for persons wishing to join the RCME and take various training courses, who are unable to attend the Sunday sessions.

It was disclosed at the meeting that the evenings would comprise one period of drill for half an hour after which two training or trades course periods would be held, followed by a recreation period.

So far arrangements have been made to begin a welding course and plans are also being made for a radio course.

Persons wishing to join the unit to take various trades are invited to attend the next session Wednesday evening next.

The RCME is open to males 18 years to 55 years, and girls and women 18 years and over are also invited to join to take clerical and other office training.

The unit is going all-out to increase the strength and build up the unit. Persons interested are requested to contact either Sgt. Harry Lord or Lieut. R. C. Munson, officer commanding the unit.

Firemen Sponsor MD Campaign

The Coleman Volunteer Fire Brigade this week launched its annual drive for funds in support of Muscular Dystrophy.

Cannisters for collections have been set out in all business houses in Coleman and Blairmore, in an endeavor to collect as much funds as possible during the next week. Although the drive will be pushed during the week the cannisters will be left in the business houses until the end of December.

One cannister was left at the Jackie Nelson garage at Pincher Creek earlier this month, and Mr. Nelson reports the cannister was just about filled and some person stole the cannister. Police are investigating the theft.

Home & School To Feature Handicraft Display

Coleman Home and School Association held a meeting this week, when the group decided to present a display of handicraft, hobbies and other items at a novelty bazaar, scheduled to be held in the Coleman Elks hall on Friday evening, December 2nd.

Plans include a special section for children, and any person wishing to display articles is asked to contact the following ladies on or before November 28th:

Mrs. R. Syzemanek, 3620; Mrs. A. Kropinsek, 3922; or Mrs. E. Aiello, at 3663 in Coleman.

Ladies' Curling Club Name Officers

The ladies of the Coleman Curling Club held their first meeting this week Sunday, November 13 in the lounge room of the curling club.

A new slate of officers for the coming season was elected to office and will comprise:

President, Doreen Collins, to be assisted by Mrs. Mary Fabro as secretary, and Mrs. Isabelle Splevak as treasurer.

The club then discussed arrangements for operation of the curling rink kitchen for the coming term.

Successful Whist Drive by Rebekahs

Victoria Rebekah Lodge held a whist drive on November 14th in the I.O.O.F. hall.

The proceeds of which will be donated to the United Nations Pilgrimage for Youth, sponsored by the Oddfellows and the Rebekah Lodges of North America.

The honors at whist went to: Ladies' first, Mrs. M. Cornett; 2nd to Mrs. J. Rogers, and consolation to Mrs. M. Godfrey.

Gents' first, Mrs. W. Vincent; 2nd to Mrs. T. Holstead and consolation to Mrs. E. Leduc.

Firemen's Dance Real Success

The Coleman Volunteer Fire Brigade annual dance held in the Elks hall in Coleman last week, was very successful and the brigade have announced that all proceeds from the dance are to be used by the firemen to sponsor scholarships for the Coleman school students as well as to conduct the annual essay and poster competitions sponsored each year by the brigade during Fire Prevention Week, usually held in October.

Winner of the transistor radio drawn for was won by Mrs. Joy Girard of Coleman, while winners of the spot dance prize were Mr. and Mrs. Bub Munson of Blairmore.
